**Head-Quarters District of Pamlico, }  
Office of the Provost Marshal, }  
NEWBERN, JAN. 31st, 1862. }**

In future, Masters of all sailing and other craft, wishing to leave this port will be required to procure permits of the Provost Marshal before they will be allowed to depart.

Said permits must be endorsed with the name of at least one of the prominent citizens of the town.

Masters of craft sailing from Hyde county for this port, will procure permits from Major Hall, or commanding officer of the troops stationed therein, which permits they will, on their arrival in port, exhibit to the Provost Marshal at his office.

Masters of all craft passing down the river are required to heave to when off Fort Lane, the upper battery, and exhibit their permits to an officer stationed there for that purpose.

**FORM OF PERMIT.**

(Name of Master,) Master of the craft, (name of craft,) (No. of crew,) has permission to leave this port for (destination,) with the understanding that he takes no one on board without permission from this office.

☞ Office at Head-Quarters District of Pamlico, upstairs. Office hours for transaction of this business from 10 to 11 A. M.

**W. G. ROBINSON,**  
Provost Marshal Dist. of Pamlico.

Head-Quarters District of Pamlico  
 Office of the Provost Marshal  
 NEWBERN, JAN. 31st. 1862

In future, Masters of all sailing and other craft wishing to leave this port will be required to procure permits of the Provost Marshal before they will be allowed to depart.

Said permits must be endorsed with the name of at least one of the prominent citizens of the town.

Masters of craft sailing from Hyde county for this port, will procure permits from Major Hall, or commanding officer of the troops stationed therein, which permits they will on their arrival in port exhibit to the Provost Marshal at his office.

Masters of all craft passing down the river are required to have to when off Fort Law, the upper harbor, and exhibit their permits to an officer stationed there for that purpose.

FORM OF PERMIT

(Name of Master), Master of the craft, (name of craft), (No. of crew), has permission to leave this port for (destination), with the understanding that he takes no one on board without permission from this office.
